MEMORANDUM OF UNDERSTANDING

I. Purpose of this MoU

This Memorandum of Understanding (MoU) outlines the basic agreement during operation between the [MAGNION TECHNOLOGIES] (hereafter, "MAGNION TECH") and [MOUNT ZION COLLEGE OF ENGINEERING AND TECHNOLOGY] (hereafter, "MZCET") for enhancing the students in real time projects and as a supportive for coordinating their technical skills.

II. Terms

This agreement shall commence on [3rd January 2019] and it may be amended and/or extended based upon the agreement between MAGNION TECH and MZCET.

III. Operational Roles and Responsibilities

1. Identify and maintain a single point of contact for communication with the MAGNION TECH.
2. MZCET will provide adequate technical supports to MAGNION TECH for the whole training including the broadband services.
3. MZCET will permit the students to attend the Project training, Workshops, In-Plant training, Tech talks handled by MAGNION TECH Team.
4. Provide assistance with reasonable accommodations as needed.
5. Attend participant briefings when needed.
6. Make supportive services available to participants for the duration of the Program.

7. MAGNION TECH remains in good standing with MZCET, and provide with copies of all reports regarding the programs and trainings.
8. MAGNION TECH will support MZCET in identifying potential of students who can take up this training.
9. MAGNION TECH will provide MZCET with adequate trainers and technical supports.
10. MAGNION TECH will provide opportunities to students for hands-on training and projects. This is completely based on performance of each.
11. MZCET shall organize training for students through MAGNION TECH at their college premises which shall be handled by MAGNION TECH Team.
12. MAGNION TECH can provide certification for excellence to the students who attend trainings and internships.

IV. Communication and Media

The parties in this agreement shall acknowledge the others in all public releases of information about the collaboration and the Program.

V. Further Cooperation

The parties hereby commit to cooperating with one another to address these issues as they arise and to resolve them based on the agreements stated in this MoU.

VI. Terms II

The Terms of this MoU is for a period of three years from the effective date of this agreement and may be extended upon written mutual agreement. It shall be reviewed at least annually to ensure that it is fulfilling its purpose and to make any necessary revisions. Either organization may terminate this MoU upon 30 days written notice without penalties or liabilities.

Authorization

The signing of this MoU is not a formal undertaking. It implies that the signatories will strive to reach, to do the best for their ability, the objectives stated in this MoU.

On behalf of the organization I represent, I wish to sign this MoU and contribute to its further development.

MEMORANDUM OF UNDERSTANDING

This Memorandum of understanding (here after referred as MoU) is made on between HENEL ENGINEERS PVT.LTD one part, MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY on the other part, as partners for promoting the industry – academic interaction activities and to help achieve academic excellence.

Whereas both HENEL ENGINEERS PVT.LTD and MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY (here after called parties) desire to carry out programmes for promoting industry – academic interaction, herein referred as "programme", jointly with the diligence and efficiency as desired with this MoU in conformity with appropriate administrative, educational practices and implement all such plans and activities and reforms for the programme.

Whereas the HENEL ENGINEERS PVT.LTD and MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY agree to enter into industry – academic interaction programmes, and both the parties agree to enter into an MoU with the terms as follows.

Head of the Department,
Electrical & Electronics Engineering,
Mount Zion College of Engg & Tech.,
Pudukkottai - 622 507.

Per Henel Engineers (Pvt.) Ltd

Director

OBJECTIVES OF INDUSTRY ACADEMIC INSTRUCTION PROGRAMME

The major objectives for which the parties associate with each other are:

- a. To effectively share the facilities and expertise for improving the capabilities for advanced education and research.
- b. To facilitate academic and research interactions among employees of both parties.
- c. Increase the relevance of the academic research and consultancy in the research.
- d. Collaborate to share and exchange information between both parties for mutual benefit and knowledge enhancement.
- e. To enable the use of laboratories and test facilities in **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY**, Pudukkottai on the preferential basis by **HENEL ENGINEERS PVT.LTD**
- f. To provide opportunity for the students from undergraduate, graduate and research scholars of MZCET to undertake industrial training in **HENEL ENGINEERS PVT.LTD** for mutual benefit.
- g. To provide expert faculty from company for academic and training programmes of **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY**.
- h. To provide advice in formulating projects and practicals as a part of curriculum activities of **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY** by the experts from **HENEL ENGINEERS PVT.LTD**

THE PROGRAMME

This MOU is to formalize joint programme activities that will help MZCET to enhance its research and educational capabilities and **HENEL ENGINEERS PVT.LTD** in achieving its business objectives. The following activities are indicative of the types contemplated through this joint program.

RESEARCH PARTICIPATION AND COLLABORATION

Visits of faculty and students of **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY** to **HENEL ENGINEERS PVT.LTD** for consultations, meetings, workshops, short courses and research participation which would be encouraged and facilitated.

STUDENT INTERNSHIPS AND EMPLOYEMENT

Students will be encouraged to take advantage of the opportunities that exists at **HENEL ENGINEERS PVT.LTD**, facilities to understand high technology & development, participation in programs that allow students to gain valuable experience & training as in terms which would be encouraged. However **HENEL ENGINEERS PVT.LTD** will employ **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY** students only if they meet out the requirements of **HENEL ENGINEERS PVT.LTD**.

DURATION

The MoU will be active for a period of **Three** Years from the date of this MoU. It will be extended for further period by mutual consent.

Head of the Department,
Electrical & Electronics Engineering,
Mount Zion College of Engg & Tech.,
Pudukkottai - 622 507.

For Henel Engineers (Pvt.) Ltd

Director

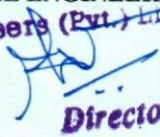

TERMINATION

Either party has the right to terminate this MoU by giving (thirty) days written notice to other party.

The two parties of this MOU agree to act in good faith and in a spirit of mutual understanding and accommodation to facilitate the achievement of the goal set under this programme.

IN WITNESS WHERE OF the parties here have caused this, MoU to be signed in their respective names as on 2nd AUGUST 2019.

Memorandum of Understanding for
Skill Development and Training

BETWEEN

Siemens Centre of Excellence in Manufacturing
National Institute of Technology

TIRUCHIRAPPALLI

AND

Mount Zion College of Engineering and Technology

Pudukkottai

Siemens CoE, NITT

Page 1 of 6

MZCET, Pudukkottai

The Agreement is executed on this 2nd day of August month, 2019 by and between:

Siemens Centre of Excellence in Manufacturing hereinafter called the "Siemens CoE or CoE" functioning in National Institute of Technology, Tiruchirappalli, a premier academic Institution of International repute incorporated under National Institute of Technology Act, 2007 having its permanent campus and office at Tanjore main road, National Highway 67, near BHEL, Tiruchirappalli, Tamil nadu 620015 (hereafter referred to as 'NIT Trichy', which expression shall include its successors and assigns) of the first part;

And

Mount Zion College of Engineering and Technology, Pudukkottai hereinafter called the "MZCET, Pudukkottai" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

WHEREAS:

1. The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu on the banks of river Cauvery, was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to catering to the needs of man-power in technology for the country. The college has been conferred with autonomy in financial and administrative matters to achieve rapid development. Because of this rich experience, this institution was granted Deemed University Status with the approval of the UGC/AICTE and Govt. of India in the year 2003 and renamed as National Institute of Technology, thereafter.
2. Siemens CoE established in 2018 at NIT, Trichy premises with 90% investment from Siemens and 10% investment from NIT, Trichy. The CoE operates with a primary objective of creating a robust technical education eco-system through its experience in industrial products and services. This Siemens CoE is intended to bridge today's gap between industry requirements and technical education, and provide solution that makes technical institutes be more aligned with industry needs and make engineering graduate students, industry compliant / on par with industry expectations.
3. Siemens CoE has 12 sophisticated Laboratories for Design and Validation, Advanced Manufacturing, Test and Optimization, Automation, Electrical and Energy savings, Process Instrumentation, Mechatronics, CNC Machines, CNC Controller, Robotics, Rapid Prototyping and Internet of Things through which different services are offered to Academic Institutions and Industries.

Siemens CoE, NITT

2/2/19 Page 2 of 6

MZCET, Pudukkottai

Sanjayson

4. Vision - Siemens CoE

- a. To provide skill excellence through Training, R&D and Consultancy for robust Industry relevant technical education eco-system.

5. Mission - Siemens CoE

- a. To offer certified skill development programmes for enhancing placement opportunities
- b. To promote industry-academia partnership by engaging in extensive consultancy services
- c. To engage in Research and Development for societal benefits and uplift
- d. To strategically align with Institute's Vision and Mission for building the brand image of NITT

6. Details of MZCET, Pudukkottai

Mount Zion Christian Educational Trust was founded in 1988 with a focus to provide wholesome education to the students of all walks of life in the educationally backward district of Pudukkottai. With the view of providing quality higher education, the trust has started Mount Zion College of Engineering and Technology in August 2001.

The institution is approved by AICTE, and affiliated to Anna University, Chennai. This institution is accredited by National Assessment and accreditation council (NAAC). It offers five Undergraduate programmes (Civil Engineering, Computer Science & Engineering, Electrical & Electronics Engineering, Electronics & Communication Engineering and Mechanical Engineering) and four Postgraduate programmes (Computer Science & Engineering, Communication Systems, Power Electronics & Drives and Structural Engineering).

The Siemens CoE, National Institute of Technology, Tiruchirappalli, India enters into the following Agreement to offer Skill Development, Training and other related services to MZCET, Pudukkottai.

1. Siemens CoE offers various skill development courses across different disciplines. MZCET, Pudukkottai committed/commits to send 100 number of students/faculty every year for such courses. The timing/duration of the courses shall be arrived on mutually agreed dates. The CoE offers 20-40% discount on the regular advertised course fee depending on the demand.
2. A student/faculty who has completed any CoE offered courses will be given 10 Hours of free Lab usage time after the course within one year duration. The timing will be decided by the CoE based on the availability.

M. Dhanasekaran
2/8/19.
Siemens CoE, NITT

Page 3 of 6

Jayson J
MZCET, Pudukkottai

3. Siemens CoE offers the resources for student projects on chargeable basis. It is the responsibility of the faculty mentor from MZCET, Pudukkottai to monitor the progress. The CoE shall not offer any certification for such usage but shall provide an attendance certificate.
4. Siemens CoE offers Internships to students. The CoE can accommodate a reasonable number of students depending on the demand.
5. The faculty of MZCET, Pudukkottai shall submit funding/consultancy proposals quoting the Siemens CoE resources. In such cases, a NITT faculty will be the Co-PI and budgeting need to be arrived through mutual discussion before submission.
6. Siemens CoE periodically conducts workshops/symposiums/conferences etc.. For such events, any participant from MZCET, Pudukkottai will get 25% discount on the Registration fee.
7. MZCET, Pudukkottai shall organize events such as workshops/symposiums/conferences jointly with Siemens CoE. In such cases, the financial implications need to be discussed and to be approved by competent authorities before the event.
8. Siemens CoE will not be responsible for safety of the students outside the NITT premises. MZCET, Pudukkottai should instruct their students clearly on the safety and precautionary measures.
9. Siemens CoE will not be responsible for loss/theft or damage of any of the student's belongings. MZCET, Pudukkottai should instruct their students clearly on the precautionary measures.
10. The implementation of specific activities will be separately agreed between both institutions on need basis.
11. Other terms and conditions which are not provided in this Agreement will be deliberated and agreed upon by the institutions hereto.
12. This Agreement is established in English language and is valid from the date of signing by the representatives of the institutions. The institutions hereto have executed this Agreement in duplicate, and each institution shall keep one copy of the originals.
13. This agreement shall be governed by and construed in accordance with the laws of India.

Siemens CoE, NITT

Page 4 of 6

MZCET, Pudukkottai

14. The two parties will consult each other and attempt to resolve disputes or misunderstandings that arise in the administration of this agreement informally.
15. This agreement shall be valid for a period of three years from the date both signatures are affixed to this document or before if terminated by mutual agreement of both. This agreement may be terminated by either party after one hundred and twenty (120) days following receipt of a written notification of intent to terminate by the other party.
16. If a proposal to renew this agreement is not presented before the end validity period, it will be terminated automatically at the end of three years.
17. This is a non-exclusive MoU.

SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity.

By signing below, the parties, acting by their duly authorized officers, have caused this Memorandum of understanding to be executed, effective as of the day and year first above written.

OBJECTIVES OF INDUSTRY ACADEMIC INSTRUCTION PROGRAMME

The major objectives for which the parties associate with each other are:

- a. To effectively share the facilities and expertise for improving the capabilities for advanced education and research.
- b. To facilitate academic and research interactions among employees of both parties.
- c. Increase the relevance of the academic research and consultancy in the research.
- d. Collaborate to share and exchange information between both parties for mutual benefit and knowledge enhancement.
- e. To enable the use of laboratories and test facilities in **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY**, Pudukkottai on the preferential basis by **V3 TECHNOLOGIES**
- f. To provide opportunity for the students from undergraduate, graduate and research scholars of MZCET to undertake industrial training in **V3 TECHNOLOGIES** for mutual benefit.
- g. To provide expert faculty from company for academic and training programmes of **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY**.
- h. To provide advice in formulating projects and practicals as a part of curriculum activities of **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY** by the experts from **V3 TECHNOLOGIES**

THE PROGRAMME

This MOU is to formalize joint programme activities that will help MZCET to enhance its research and educational capabilities and **V3 TECHNOLOGIES** in achieving its business objectives. The following activities are indicative of the types contemplated through this joint program.

RESEARCH PARTICIPATION AND COLLABORATION

Visits of faculty and students of **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY** to **V3 TECHNOLOGIES** for consultations, meetings, workshops, short courses and research participation which would be encouraged and facilitated.

STUDENT INTERNSHIPS AND EMPLOYEMENT

Students will be encouraged to take advantage of the opportunities that exists at **V3 TECHNOLOGIES**, facilities to understand high technology & development, participation in programs that allow students to gain valuable experience & training as in terms which would be encouraged. However **V3 TECHNOLOGIES** will employ **MOUNT ZION COLLEGE OF ENGINEERING & TECHNOLOGY** students only if they meet out the requirements of **V3 TECHNOLOGIES**.

DURATION

The MoU will be active for a period of **Five Years** from the date of this MoU. It will be extended for further period by mutual consent.
